USAF Declass/Release Instructions On File

AFCIN-1C1

18 August 1958

25X1A9a MEMORANDUM FOR DIRECTOR, CENTRAL INTELLIGENCE AGENCY
ATTN: [REDACTED]

SUBJECT: Augmentation of USAF TALENT Spaces

1. In the course of a reorganization of his office, the Assistant Chief of Staff, Intelligence has appointed a Deputy to assist him in the management and control of all air intelligence functions.

2. The establishment of the Office of the Deputy (Major General Harold E. Watson) to the Assistant Chief of Staff, Intelligence and minor reorganizations within AFCIN have created a requirement for seven (7) additional TALENT clearances as follows:

Deputy Assistant Chief of Staff, Intelligence
Executive to Deputy
Secretary to Deputy
Administrative Assistant to Deputy
Project Coordinator
Chief, Dissemination Services Division
Deputy Chief, Dissemination Services Division

3. All of the above positions will be concerned directly with the handling and exploitation of TALENT materials.

4. As a matter of formalizing our verbal request on or about 11 August, it is also requested that formal approval be granted for four (4) additional positions for four (4) USAF General Officers performing duties on the USAF Force Estimate Board. These General Officers are charged with establishing future USAF force requirements and precise knowledge of the nature of the threat as required in proceeding to this task.

5. Request approval of additional TALENT positions for the Offices of the Assistant Chief of Staff, Intelligence and the Force Estimate Board as indicated above.
